

MIBC
JUMPSCHOOL

MBC JUMP SCHOOL

MBC Jump School is a 48-hour version of our popular eight-week intensive called Messenger Boot Camp (MBC). This is a great introduction to walking as a lifestyle missionary with teaching, modeling and activation in identity, intimacy and mission.

Here is the ministry plan for MBC Jump School.

FRIDAY

6p intro to jump school
6:30p worship and prayer
7:30p foundations of identity
9p ministry time

SATURDAY

9a worship and prayer
10a gospel of intimacy
11a activation into prophesy + healing
12p lunch outreach
2p worship and prayer
3p mission + message
4p intro to encounter
5p activation into gospel + testimony
6p dinner outreach
9:30p debrief
10p release

SUNDAY

Local church mobilizations. This is not required for MBC Jump School but we would like to invite MBC jump school participants who are willing to share their testimonies at local churches to encourage other believers to get equipped to walk as lifestyle missionaries and to engage local outreach experiences and domestic short term mission experiences.

FINANCIAL

There is no cost to attend an MBC Jump School, however we strongly encourage participants to make a onetime donation or to become monthly partners with the Firebase Movement. We will take a free will offering on Friday and Saturday to help cover expenses for MBC Jump School.
